

Submitter: Craig Blair
On Behalf Of: Motorcycle owners
Committee: Senate Committee On Judiciary
Measure: SB422

Dear Legislators,

Thank you for your service.

I am writing you to ask for a yes vote on SB422. My motorcycle cannot idle for very long without damage. If traffic is stopped, I must, shut the engine down and park, or leave the freeway if I can. SB422 lane sharing would protect myself and my time, effort, monetary investment.

SB422 is safe, reduces congestion, is environment and motorcycle friendly.

Again, please vote yes on SB422. Thank you.

Sincerely,
Craig Blair
