Committee: House Committee On Agriculture, Land Use, Natural Resources, and
Water

Measure: HB3159

To Whom It Concerns,

I would like there to be an increase of 1.5% of the State Transient Lodging Tax (TLT) to be utilized to support the Oregon Conservation and Nearshore Strategy program in helping vulnerable fish and wildlife, some close to extinction, and especially from climate change and other alterations in the ecological environment.

We have already caused tremendous destruction to wildlife. If we care what kind of world we are leaving for future generations we need to preserve what we still have.

Sincerely,

Hillary Tiefer
