Dear Chair Nosse, Vice Chair Goodwin and Vice Chair Nelson

My name is Connor Heffernan and I live in the 44th state house district. I am a 22 year old Human Services worker and deeply care about the health and well being of our state. As a union worker, I stand in solidarity with our nurses and urge all of you to invest in our health care system.

That is why I urge you to vote for the Safe Staffing Bill HB 2697. Thank you all for your service, do not let the working people of this state down.
