

Submitter: Steve M  
On Behalf Of:  
Committee: Senate Committee On Judiciary  
Measure: SB422

As a motorcyclist, I support this initiative, but everyone on the road should support this initiative. The benefits to operator safety are well-documented, but even folks who drive cars will benefit from decreased traffic density. Not only that, but I think there's a strong environmental argument in favor of increased two-wheel adoption, and this initiative would provide a specific yet substantial incentive for car drivers to switch to bikes.
