

Submitter: RONNIE DANIELS
On Behalf Of:
Committee: Senate Committee On Natural Resources
Measure: SB795

I SUPPORT USING OUR FORST LAND TO SUPPORT OUR ECONOMIES,SCHOOLS AND INFRASTRUCTURE. I DO WANT TO BE ABLE TO USE OUR FORESTS. THE STATE BOARD OF FORESTRY NEEDS TO LISTEN TO US, THE PEOPLE AND STOP UNDERMINING OUR WAY OF LIFE. THE COUNTIES LIKE POLK, WON IN COURT TO BE COMPENSATED FROM THE HARVESTING OF TREES, YET THE STATE HAS NOT RESTORED FUNDING. TO SUM THIS UP, ITS THE HARVESTING AND MAKING THE TREES INTO VARIOUS BY PRODUCTS ,THAT AT 1 TIME FUNDED THE WHOLE STATE'S BUDGET AND IS MORE RENEWABLE THAN THE MONEY LOSING SOLAR AND WIND UTOPIAN CLEAN ENERGY EXTORTION. THANK YOU AND STAND YOUR GROUND FOR THIS BILL. SINCERELY RONNIE W. DANIELS .
