

Submitter: Michael Bruch

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB2984

Fewer empty buildings and more people living in these spaces means more businesses in that area to support them. Having populated, walkable areas with restaurants and other businesses is also appealing and a destination for those that don't live in the area. I currently drive to places like this because they don't exist in West Linn and would love more destinations of this nature.
