

Submitter: Koren Corbett

On Behalf  
Of:

Committee: Senate Committee On Veterans, Emergency Management, Federal  
and World Affairs

Measure: SB776

I support SB776 as a white citizen of Oregon. It is past time that the government, both local and federal, acknowledge the impact our racist history and policies have had on our Black community members and friends. Beyond acknowledgment we must take meaningful action to repair and restore the harms that have been and continue to be done on past Oregonians and their descendants. SB776 is a first step in that direction.
