

Submitter: Alyssa Morrow  
On Behalf Of:  
Committee: Senate Committee On Health Care  
Measure: SB490

To Whom it May Concern,

As a current family medicine resident in Oregon, I am in strong support of SB 490 which will strengthen the Oregon Residency Collaborative Alliance. In order to address our current primary care provider shortage and improve the health outcomes for all Oregonians, programs like ORCA that focus on increasing the number of residencies in Oregon and strengthening existing programs is crucial. By supporting this bill, you will be investing in the future of family medicine and providers who will go on to provide healthcare to thousands of Oregonians. If you would like further information on how important this bill is to building a strong future in family medicine, please feel free to reach out to me at [morrowal@ohsu.edu](mailto:morrowal@ohsu.edu).

Thank you for your support,

Alyssa Morrow, DO, MPH
