On Behalf
Of:

Committee: Joint Committee On Ways and Means Subcommittee On Natural
Resources

Measure: HB5016

Please pass HB5016. Oregon is stronger and better positioned to navigate the innovations and changes in energy sectors if our state energy department is well-resourced and able to provide decision-makers with technical and policy expertise. Further, ODOE plays an important role in ensuring energy safety, including oversight of legacy nuclear energy issues. An effective ODOE requires adequate resources to support these functions.
