Measure: HB5026

Hello Legislators,

I work for a non profit organization that supports the IDD community with their career goals. I support the prioritization of DD wages and full funding of IDD services in HB 5026. I am asking that you not only protect your previous investment, but to continue to help move this workforce out of crisis by supporting HB 2457 - it moves DSP wages to 150% of minimum wage. Thank you for taking the time to read my testimony.
