

Submitter: Monica Flechtner

On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure: SB603

My name is Monica Flechtner, I am a proud mother, grandmother, and Oregonian. As a divorced mother of 5, I have experienced the stress of surviving on a low income and know the importance stable housing had on myself and my then, young children, and continues to have today.

I am writing to ask you to support SB603 because it provides resources to low-income individuals who need help to stay housed. I believe that housing and having a safe place to call home provides opportunity. I want to be one of the many, not one of the lucky few who have a safe, stable place to call home. Support the passage of SB603 to help Oregonians keep a roof over their heads.

Thank you,
Monica Flechtner
