

Submitter: NW Coast Range

On Behalf Of:

Committee: Senate Committee On Human Services

Measure: SB610

Oppose SB 610 for non-residents of the United States of America to apply or receive SNAP benefits whether temporarily or permanently in Oregon. What is wrong with the legislature? Please invite (NOT) more low-income vagrants to Oregon with the unreasonable legislation y'all keep introducing unsustainable social woke welfare programs. Oregon is a slum-dump, more and more people are afraid to walk in their neighborhood, let their children outside to play. Predictable that in 2023 twice as many people if not more will leave Oregon permanently if this degradation continues of our beautiful Oregon. When Kotek says this, just cringe. as 'Speaker Woke' exasperated the vagabond catastrophe and the woke legislature went along with it. Shameful.
