On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB422

As an avid motorcyclist, I'm writing to support the Lane Sharing Bill SB422. I typically ride 6,000 to 8,000 miles a year, with many of those miles on highways during rush hour. Lane sharing would greatly reduce my commute time, improve traffic for others on the road, and make my commute significantly safer. Legalizing lane sharing would greatly benefit all Oregonians.

Sincerely,  
Kevin R. Miller
