Services

Measure: HB5026

I am writing to ask you to prioritize DD wages and support full funding of IDD services in HB 5026. I am asking that you not only protect your previous investment, but that you continue to help move this workforce out of crisis by supporting HB 2457 - it moves DSP wages to 150% of minimum wage. This is vital in not only lifting I/DD services out of crisis, but to provide a living wage to our essential DSP's, and providing the stability in supports people in services deserve.
