

Submitter: Mary Ann Petersen  
On Behalf Of:  
Committee: Senate Committee On Judiciary  
Measure: SB808

My name is Mary Ann Petersen and I am a longterm resident of Eugene, Oregon. I am writing in support of the changes presented in SB 808.

I support the changes proposed with SB 808 and encourage you to take it a step further and require that the commission membership include victims of police violence or family members of victims and healthcare providers such as licensed counselors or therapists as these individuals uniquely understand the consequences of police violence.

I think this will lead to better community outcomes, build trust, and create understanding.

Thank you for your consideration,
