

Submitter: Louise Nardi

On Behalf Of:

Committee: Senate Committee On Human Services

Measure: SB610

I respectfully urge a vote of NO on SB 610

Free food for illegals is rewarding all those who have already broken the law by entering the United States illegally. Free assistance in the form of food, healthcare, etc. only attracts more illegals to our state. Would you reward your child who stole money from you? Would you reward your neighbor who stole your car?

SB 610 places another undue tax burden on all of Oregon's tax-paying citizens. Stop wasting our tax dollars on bills which should not even be presented to the legislature. Stop rewarding criminals who have entered our country and state illegally.

Please vote NO on SB 610
