On Behalf Of: Homeowner habitat for humanity

Committee: Joint Committee On Ways and Means Subcommittee On
Transportation and Economic Development

Measure: SB5511

Please find habit for humanity projects HB 5511

I'm a single mom with a disabled son nearly 60 years old I work full time as a direct caregiver for disabled barely making ends meet thank god for programs that lift me and my 2 children out of poverty both my kid's college students working to get better jobs than their mom. End homelessness support families with habitat for humanity

And paths to home ownership
