On Behalf Of: Mr Oregon Supports HB 2270

Committee: House Committee On Economic Development and Small Business

Measure: HB2270

I SUPPORT [HB 2270].

Oregon's Port financing requires modernization and [HB 2270] is a good first step.

Oregon's Ports are responsible for a great deal of revenue to support; Agriculture, Forest Products, Fish Products and many other transportation needs.

I might have missed the involvement of DB Smith's-The King of Port Orford contribution(s), if any, to [HB 2270].

Good Job!
