

Submitter: Tiffany Ferraro

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB422

I am a motorcyclist and support this measure. Riding is inherently dangerous and I have had too many close encounters in situations where lane splitting would have prevented them. Other states allow this with no further casualties to rider or vehicle. I want to come home at the end of my day to my children and family too. Please vote in support and keep all of us more safe on the road!
