Measure: SB776

To whom this concerns,

I strongly urge you to support Senate Bill 776, creating a task force to study and develop proposals for financial and nonfinancial reparations for Oregonians of African-American descent. SB 776 is the foundation needed in Oregon to support this critical step towards accountability for the devastating impacts and legacy of slavery, and the systematic racial and social inequities that have ensued and caused much harm.

As a white woman, I fully support reparations in the state of Oregon;
It is each of our responsibility to start working together to demand justice.

Kind regards,
Allison Siphron
