

Submitter: Kellen Ingram
On Behalf Of:
Committee: Senate Committee On Judiciary
Measure: SB422

I believe this bill will raise awareness to motorcyclists as people and that people will hopefully pay more attention while behind the wheel. With a raised awareness of motorcyclists, hopefully that will in turn raise awareness of bicyclists and pedestrians and children. The more people have to pay attention while driving the safer we all will be.

Sincerely,
-Kellen Ingram
