On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB422

Good morning,  
please support SB422. I've been a motorcyclist for over a decade now. I've been in traffic where lane sharing is law abiding and I've been in traffic where lane sharing is not legal (Oregon). I've felt more safe in traffic where lane sharing is accepted than in situations where it isn't allowed.

I appreciate your time and consideration.

Thank you,  
Joe Grigsby
