

Submitter: Tammy Karschnia

On Behalf Of:

Committee: House Committee On Climate, Energy, and Environment

Measure: HB3152

I highly oppose this Bill. It should never be enacted without the vote of the people it affects - namely Oregonians.

In addition this will be a huge financial burden on working families who are barely making ends meet as it is.

Shame on them for continuing to push their agenda and not actually do what is best for Oregonians.
