

Ask the Joint Semiconductor Committee to remove Wilsonville from Section 10 of SB 4! Protect the foundation farmland of French Prairie and SAY NO to the Clackamas County Commissioners and their land speculator friends!

Please Remove Wilsonville from Section 10 of SB4. I am not for the farmland of French Prairie to be turned into commercial property. Keep the farmland. I appose Clackamas County Commissioners decision of a yes vote for the use of the French Prairie farmland.
