

Submitter: John Vandenberg

On Behalf Of:

Committee: Joint Committee On Semiconductors

Measure: SB4

I am a resident of rural Sherwood near Wilsonville and I join the City of Wilsonville's request to your Committee to remove Wilsonville as a city listed for possible supersiting by the Governor in SB 4, Section 10. The Langdon Farms site is foundation farmland and part of the French Prairie Rural Reserve. We need to protect our open spaces for all wildlife and for ourselves, including our agricultural lands.

Please respect the wishes of local residents and our local elected officials.

Thank you for your service.
