

Submitter: Jennifer Constantine

On Behalf Of:

Committee: Joint Committee On Semiconductors

Measure: SB4

Please keep the proposed semiconductor plant off of Prairie Reserve and out of Wilsonville!

As a newer member of this community, I can tell you we moved here to move AWAY from building of this nature. We need to preserve our remaining agricultural spaces, not build chip plants (or otherwise) on them. Please focus on the long-term health of our community and OPPOSE this plant.
