

Submitter: Michael Lester

On Behalf Of:

Committee: Senate Committee On Natural Resources

Measure: SB85

As a 50+ year member of the Jordan community, we at Mason, Bruce & Girard support this bill in our role as managers of the Avery Family Forest. This proposed facility will be within a mile of our office, and the ammonia from the fans at the facility may make our office non-functional. This facility has the potential to negatively affect property values in the area, degrade water quality, and devastate the rural character of the area. We strongly urge you to pass this bill. Thank you.
