On Behalf Of:

Committee: Senate Committee On Education

Measure: SB551

This bill assumes firearm and prescription drug owners are ignorant to proper storage.

You cannot buy a firearm until you turn 18. It is the owners responsibility to properly store a firearm, not a child.

It shouldn't be the reasonability of the school to share proper storage of firearm to a student who does not own a firearm.

Schools already talk about drugs and alcohol awareness.

This bill is unnecessary.
