Re: Support for SB85, the factory farm moratorium bill

Dear Chair Golden and Members of the Senate Natural Resources Committee,

My name is Cara Ratkovich, and I live in Eugene. I support a factory farm moratorium in Oregon. I am writing on behalf of myself and the sentient beings that are given no choice.

I feel that having factory farms will have disastrous consequences on our society, not to mention the consequences that it places on the millions of voiceless beings.

I urge you to vote for SB85 in the 2023 legislative session to protect our climate, environment, and rural communities. But most importantly, the animals.

Respectfully,
Cara Ratkovich
