

Submitter: Jeanne Sterner Rush

On Behalf Of:

Committee: Senate Committee On Natural Resources

Measure: SB85

We must ask ourselves how the future will look back at us. Let them not say that we did not know, we know. Let them not say that we did not do enough. As a resident of Scio I urge you to pause on the permitting of new and expanding CAFOs until we can adequately study and address the impacts that these operations will have on our state. Thank you
