Good afternoon committee members,

Hi my name is Kristin. I am an ambassador testifying on behalf of the Residential Ombudsman Facilities Program. I love this program our services are so important and needed for the Oregonians we that were delivered. During Covid 19 I was able to assemble activity bags were delivered to the porches of the homes. A wonderful friend introduced to the program.

I am disabled I am legally blind our services help so many in these homes. Thanks for listening.
