

Submitter: Jane Mulholland

On Behalf Of: HB 2904

Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure: HB2904

I am strongly supportive of the regulations and oversight this bill proposes. I have been familiar with the Primate Research Center for many years and am very concerned about some of their inhumane practices. We need this bill and its provisions to protect the animals safety and to protect Oregon's reputation and integrity.
