Committee: Senate Committee On Energy and Environment
Measure: SB488

Greetings!

I am a retired Physician Assistant (PA) and serve on the Advisory Board of Oregon Physicians for Social Responsibility. My husband, Thomas Ward, is a MD. Together, we urge the members of this committee to move SB488 forward with a Do-Pass recommendation.

We incorporate by reference the testimonies of Dr. Andy Harris, Dr. Patricia Kullberg, Damon Motz-Storey and Dr. Martin Donohoe.

Many thanks go to the sponsors and co-sponsors of SB488. Please support Senate Bill 488.

Thank you,
Regna Merritt
Thomas T. Ward, MD
