Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure: HB2904

Dear Chair and members of the committee: Please vote YES on HB 2904 to require more transparency and accountability by the Oregon National Primate Research Center. They have clearly shown they cannot be trusted to be honest and forthcoming with the public about their use of nonhuman primates in laboratory research. This bill will not impair that research, but will require they be more transparent and accountable. Thank you, Jean Tibbetts
