On Behalf Of: Myself  
Committee: Senate Committee On Education  
Measure: SB854

WTF!?! Come on educators!!

PLEASE TEACH:

History  
Govt  
Geography  
Math  
English  
PE for all!!

Getting away from a normal education only leads into dark educational programs.

Nothing else ESPECIALLY specifically ideology gender racism BS!! No CRT! NO OUTSIDE influence removing our identities as individual humans are. DO NOT EDUCATE TO PERSUADE to change our children because AN educator believes the child needs it.
