

Submitter: Brynna Sibilla

On Behalf Of:

Committee: House Committee On Behavioral Health and Health Care

Measure: HB2455

I am a licensed clinical social worker, practicing in Oregon for 27 years. I am writing to ask you to pass HB2455.

As a professional, I strive for accuracy, transparency, and clarity in record keeping. Insurance companies should be held to a similar standard, and limits should be placed on audits so that providers do not have to live in fear by simply taking insurance. In addition, providers deserve to know what is expected in audits so they can know how to document to pass them. The threat of a potential audit looms large for the all clinicians I know and leads many to refuse to accept insurance altogether. Passing this bill will increase access to care in our state. Thank you.
