

Submitter: Valerie Schadt

On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB3294

Hello-

I am writing in support of HB 3294 which amends Oregon's 2018 law to more readily redact discriminatory language from real estate documents. Race-restrictive covenants are racist and need to be removed from such documents. Please do the responsible action and approve HB 3294.

Thank you.
