

Submitter: Morgan Lee

On Behalf Of:

Committee: House Committee On Education

Measure: HB3198

Too many children have fallen right into the Pipeline to Prison because they have not been taught to read. The percentage of prison inmates that have not learned to read is astounding. This epidemic has got to stop. Learning to Read is one of the most important Civil Right we The People should have in this life. Why and Why have we taken this right away from so many. Please seek out any and all answers to this issue and lets turn it around today.
