

Submitter: Blaine Ackley

On Behalf Of: HB 5008

Committee: Joint Committee On Ways and Means Subcommittee On Natural Resources

Measure: HB5008

Please restore these policy plans for funding to the Gorge Commission:

These three POPs must be restored.

POP 104 – Building resilience to climate change

POP 105 – Diversity, equity, and inclusion outreach and implementation

POP 103 – Legal counsel

The Commission needs these funds in order to help it navigate the future course of the Gorge in a changing political, social, and climatic conditions.
