

Submitter: Karen Daggett Austin

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: HB2645

Our Family is in overwhelming support of HB 2645, which would increase penalties for possession of certain amounts of fentanyl. Fentanyl overdose and death has skyrocketed in our community, and this legislation is important to curtail and criminalize this dangerous drug. Save our children, please vote in support of HB 2645.
