OPPOSE HB 2004

House Committee on Rules and Oregonians for Fair Elections for Oregonians,

“You will not believe what “reformers” have devised to tinker with and manipulate our elections. It is called ranked choice voting (or “instant runoff voting”)—but it is really a scheme to disconnect elections from issues and allow candidates with marginal support from voters to win elections. In the end, it is all about political power, not about what is best for the American people and for preserving our great republic. So-called reformers want to change process rules so they can manipulate election outcomes to obtain power.”

This article helps bring sunshine to this issues and the truth behind Rank Choice Voting. It is bad for all Oregonians on either side of the isle.
