

Submitter: Anthony Caruso

On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB3214

I strongly support this bill! Animals don't deserve to be used for human entertainment. They can not consent to taking part in jobs, unlike humans. The human equivalent would be forcing children to work, because they can not consent either. Would you force a child to perform in circuses? If not, why would you not extend the same rights to animals?
