Measure: SB847

Chair Jama and members of the Senate Committee on Housing and Homelessness,

I am writing in support of SB 847. This bill is urgently needed to address the housing crisis in Oregon. The lack of affordable housing has created the homeless crisis we are now facing. In addition, the lack of affordable housing has created housing instability for people who forgo basic needs to stay housed, and who are constantly faced with the threat of homelessness. This bill is necessary for the creation of more housing that is safe, affordable and accessible to amenities for all people. That is why I urge you to support SB 847.
