Committee: House Committee On Rules
Measure: HB2004

NO. Extremely unfair, and unethical.

Ranked choice voting is a scheme to disconnect elections from issues and allow candidates with marginal support from voters to win.

It obscures true debates and issue-driven dialogs among candidates and eliminates genuine binary choices between two top-tier candidates.

It also disenfranchises voters, because ballots that do not include the two ultimate finalists are cast aside to manufacture a faux majority for the winner.
