

Submitter: Tina Lilly

On Behalf Of:

Committee: House Committee On Behavioral Health and Health Care

Measure: HB2455

My name is Tina Lilly, and I am an LPC in Oregon. I am writing to ask you to pass HB2455 in support of increased requirements and restrictions on insurers and coordinated care organizations regarding audits of claims for service reimbursement. Counselors deserve to know what is expected in audits so they can know how to document to pass them. As a professional, I strive for accuracy, transparency, and clarity in record keeping. Insurance companies should be held to a similar standard, and limits should be placed on audits so that providers do not have to live in fear by accepting clients wanting to use their insurance. Passing this bill will increase access to care in our state. Thank you.
