Measure: HB2680

Committee Members:

I am opposed to HB 2680.

As a housing provider, I find it unworkable to “promptly” provide tenants a copy of an invoice for the screening service we employ. We pay the service monthly and will not have an invoice for several weeks in some instances. We can not share what we do not have. Beyond that, this is tedious paperwork that most tenants don’t want to be bothered with. There is already too much paperwork related to applying and leasing property. This will be more noise. There must be a better way to solve this problem.

I disagree with the increase of penalty from \$150 to \$250 as well.

Thankyou for your consideration,

Scott Smith
