

Submitter: James Robb
On Behalf Of:
Committee: House Committee On Rules
Measure: HB2004

I strongly oppose HB 2004 and urge a vote of No!

Ranked choice voting compels voters to strategize through hypothetical third, fourth, or fifth rounds of elimination instead of focusing their attention on their first choice among candidates.

HB 2004 is an unfair system, disenfranchises voters, and denies the democratic process.

Vote NO on HB 2004
