Rep. Paul Holvey, Chair  
House Business and Labor Committee  
*Via email*

Dear Chair Holvey:

The Workers' Compensation Management-Labor Advisory Committee (MLAC) had the opportunity to hear HB 3471, relating to employment provisions in agreements relating to the settlement of workers' compensation claims. The original bill placed the requirements under ORS chapter 656 which is the purview of MLAC.

We understand the bill proponents have requested amendments to move the provisions of the bill to the laws that already address other employment-related settlement agreements. Since the bill would no longer be under ORS chapter 656, we believe this is outside our jurisdiction and will not be making a recommendation either way.

Sincerely,

Patrick Priest  
Management Co-chair
