Re: Support for DOR Budget

On behalf of the Oregon State Association of County Assessors, I write today in support of The Oregon Department of Revenue 2023-2024 biennium budget.

As a valuable partner to county assessors the DOR contributes knowledge, resources and oversight to the county property tax system. Many of these services such as training, appeals assistance, and rule clarification contribute to a fair and equitable property tax for all Oregonians.

I am available at 541-883-5111 to answer any questions you may have.

Sincerely,
