

Submitter: Jean Manning

On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB3214

I'm opposed to the measure of prohibiting certain animals in traveling animal acts. I feel this would financially hurt many towns in the state and ultimately Salem as well. Less revenue in the towns less revenue to the state. We are heading into a recession. Let's not make it worse and also take entertainment away from a lot of people who live here.
